Rotary Membership Moments:

Involvement grows when you learn more about your club and how it operates. Find out when the next board meeting will be held and plan on attending. Learn how the club functions, what is planned for the year, and how you can become an active participant. Look outside the club and attend a District function, an assembly, foundation event or workshops. Rotary has a vast array of opportunities that lead to adventures around the world. Consider planning a trip to an International Rotary Convention held once a year in some part of the world. The 2007 Convention will be held in Salt Lake City.
