

Rotary Club of Rohnert Park - Cotati

For the meeting of:

Tuesday, Sept. 30th, 2008

Highlights: Pat & Tim Miller went to a Rotary Zone meeting over the weekend in Portland and came back with some numbers. It turns out our Zone, 23, along with Zone 24 (So Cal) are in the top 20% of giving for the entire world! Our district is about in the middle of the pack when it comes to giving though.

Rotary Moment by :

Presentation: Darrin Jenkins [RP](#) City Engineer gave a really informative talk about the state of water and discussed just the FACTS about Measure L which wants to roll-back the sewer rates to 2006 levels. What I took away was, that the only beneficiaries of the roll-back would be the businesses. He has FACT sheets for anyone who would like to know about this measure. BTW – the City of RP has reduced its use of wells by nearly 50%!
